This asset comes with a UnityToonShader package. Please import the UnityToonShader package along with the asset.

If you encounter a pink shader issue, please re-import the assets with the shaders or manually import the shader from this link: https://docs.unity3d.com/Packages/com.unity.toonshader@0.10/manual/installation.html

Please note that this asset uses a preview shader package. You can follow updates at the same link: https://docs.unity3d.com/Packages/com.unity.toonshader@0.10/manual/installation.html
